Duggar Arrested For Touching Kid. No, Different Duggar.

Wow, is there something in the pedophile-protecting fundamentalist Christian patriarchal water up there in Tontitown, Arkansas? We are asking because — hope you're sitting down — one of the Duggar men has been arrested for kid-touching.

No, not Josh. He didn't get sprung from prison only to immediately start molesting kids and then get rearrested. This one looks just like him, though, because he comes from the sperms and eggs of sicko Christian nationalist TV stars Jim-Bob and Of-Jim-Bob "Michelle" Duggar.

The Duggar in question would be Joseph, number seven of the 19. (Josh is the oldest.) He was born in 1995, [which makes him 31](#), and he is [married to Kendra](#).

[Joseph has been arrested](#) in Tontitown, where the Duggar *Handmaid's Tale* broodmare compound is located, for allegedly molesting a nine-year-old girl while on vacation in Panama City Beach, Florida, in 2020. The charges [were announced](#) by the Bay County (Florida) Sheriff's Office, where he will be extradited. He reportedly confessed to the alleged victim's father, and also to cops in Tontitown. (She is now 14.)

Doing the math here, that means he was probably ... 25 at the time?

[NBC News](#) summarizes:

The girl said Duggar repeatedly asked her to sit on his lap, the sheriff's office said. During

the course of the vacation, Duggar also asked the girl to sit next to him on a couch and used a blanket to cover the both of them, the victim told police, after which he allegedly touched her genitals and rubbed his hands on her thighs.

The victim said the incidents stopped after Duggar eventually apologized, according to the sheriff's office.

Jesus Christ.

Also, just about the most dog-bites-man headline we can imagine. An extremist conservative Christian named Duggar arrested for touching a kid? No, you don't say.

To travel down memory lane as briefly as possible, Josh Duggar, after years of stories about him [molesting/abusing his younger sisters](#), was finally convicted and [sentenced to 151 months](#) in prison without possibility of parole back in 2022, after he was caught receiving and downloading reportedly horrifying child sex abuse material (CSAM), or as it's known in the vernacular, child porn.

That was a Homeland Security Investigations (HSI) case, which is crazy, because back in those days they actually spent a bit of time trying to protect children, as opposed to their activities these days, ripping little children's mommies and daddies away from them and/or trafficking them for having brown Latino skin and speaking Spanish.
