Hunter Biden attacks Dems in furious interview

[Hunter Biden](#) did not hold back his views on the Democratic Party in a recent interview with Channel 5, tearing into party leadership, strategists and the media alike.

Speaking to journalist Andrew Callaghan, Biden let fly on the hosts of Democrat-leaning podcasts, party mega-donors, television hosts and calcified consultants.

He attacked the “intelligentsia” of the Democratic Party for not supporting his father, former President [Joe Biden](#), when he ran for reelection. He blamed former Speaker of the House [Nancy Pelosi](#) for “not giving [Joe Biden] a full-throated endorsement” and called out famed Democratic strategist [James Carville](#) saying he “hasn’t run a race in forty f**kin’ years.” He also went after David Axelrod, a former adviser to President [Barack Obama](#).

“He had one success in his political life, and that was Barack Obama. And that was because of Barack Obama, not because of f**kin’ David Axlerod,” the younger Biden said.

Hunter Biden didn’t spare media figures, taking a shot at the “Pod Save America” podcast and CNN host [Jake Tapper](#). He called the podcast hosts “four white millionaires that are dining out on their association with [Barack Obama](#) from 16 years ago, living in Beverly f**king Hills, telling the rest of the world what Black voters in South Carolina really want.” Of Tapper, who wrote a book alleging a cover-up of his father’s mental condition by White House staff, Hunter Biden said he was “completely irrelevant.” He called Tapper’s book “a money grab” and said the anchor needs to “grow the f**k up.”

When Callaghan brought up the role of prominent actors in politics, Hunter Biden went scorched Earth on [George Clooney](#).

“F**k him. F**k him and everybody around him,” Hunter Biden said.

Clooney had supported President Biden in the past but publicly [questioned his ability](#) to run for office again, calling for him to step aside in an op-ed.

“F**king George Clooney is not an actor...He’s a brand. Why do I have to f**king listen to you? ” Hunter Biden asked. “What right do you have to step on a man who’s given 52 years of his f**king life to the service of this country and decide that you, George Clooney, are gonna take out basically a full-page ad in the f**king New York Times to undermine the president.”
