Jesse Watters Really Getting Off On Pete Hegseth's Whiskey Wing-Wang Boat Murder Pornos

There seems to be a consensus growing among MAGA men about why Pete Hegseth's dry/wet/dunno drunk boat murder strikes are so awesome, and it's the same as Pete Hegseth's reason: It makes him feel like his wing-wang works and is big and strong and capable of performing on its own without pharmaceuticals or a book's work of affirmations. And they, the MAGA men, are in turn living vicariously through Pete Hegseth's wing-wang.

The man who will become the avatar for all this is, of course, Jesse Watters. Who else has such bitter, seething masculine insecurity issues raging just beneath the surface, the kind that rival Hegseth's own bitter, seething masculine insecurity issues? OK, dumb question, we just described every MAGA white man. But [Watters is on Fox News](#), being as weird about it as he can possibly be.

Jesse explained how watching videos of boat murders are basically his Pornhub:

"This is the most popular foreign policy action of Trump's second term: killing narco-terrorists. You know what the second one is? Bombing the Iran nuclear program. So, the Democrats are now coming out against the two most popular things Trump's done abroad this year. Dumb. People love these videos. They hit your feed, they're like, yes, let's go. Hit them again, and if you're against it, you sound like a lawyerly, whiny, effeminate weasel."

These videos hit Jesse's feed and it's like YES, LET'S GO. Does he close his door before he

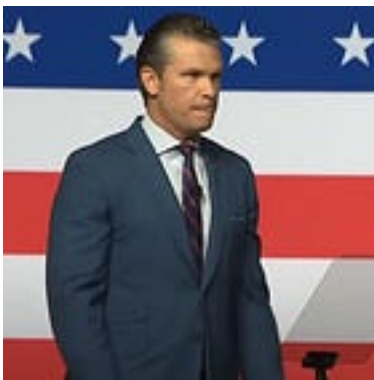

unzips and it's YES, LET'S GO time? We do not know. But he's just pretty sure he's not alone, that "people" love these videos, that "people" love living vicariously through Pete Hegseth's whiskey wing-wang boat murder videos like this.

Hey, if "people" love these videos so much, they should make a MAGA version of Pornhub that adds vicarious violence videos to the incest roleplay that already dominates porn these days, because if we were to hazard a wild guess who's driving that porn traffic in the first place ...

We are just over here coming up with business ideas.

AND IF YOU DON'T LIKE THESE VIDEOS, YOU'RE "EFFEMINATE."

(He means gay. Which seems unfair to us, because we're sure there are some racist loser white MAGA gays out there with *equally* pathetic masculine insecurity issues to Jesse's, who are totally wanking it to Hegseth's [WARFIGHTER](#) speeches. We bet if you went to the Kennedy Center [to meet the "A-Gays"](#) showing up for Ric Grenell's [dumbed-down-for-MAGA artistic performances](#) and asked who's wanking it to Hegseth's WARFIGHTER speeches, a bunch of people would raise just their left hand.)
